Under Florida law, an equine activity sponsor or equine professional is not liable for an injury to, or the death of, a participant in equine activities resulting from the inherent risks of equine activities. I understand and agree that the owners and operators of Cypress Keep, Black Dog Farm, and Greenridge Farm will not be responsible for any property damage, injuries, or deaths. I agree to abide by all farm rules, and also acknowledge I am participating in equine activities at my own risk. Any damage to my person, property, or equine is solely my responsibility and I indemnify the property owners and show organizers of all liability. All of the information supplied above is correct.
